Mayor and Council,

We understand it is time to submit the request for the 2<sup>nd</sup> phase of the Historic Survey Grant. The majority of the members of the Hampton Historic Preservation Comm. are in favor of applying for this grant. We believe that it is important to identify and catalog Historic Properties within the City of Hampton.

With each passing year, we lose members of our community who possess knowledge of these Historic properties. Recording this information will assist us in the future to maintain the Historic character of our town and it will insure that generations to come will have this important information.

Thank You,

Larry Rucker

Chairman-HHPC
